PRODUCT DESCRIPTION

Composition® is an acoustic wall covering available in a range of colours. Typically applied in vertical drops like wallpaper, Composition creates a surface that is pin and velcro receptive. Composition is a durable and flexible polyester wall covering that replaces the need to paint, and is easily maintained to look amazing for a long time.

Beyond all that, it creates incredible learning environments by reducing and managing the echo in the room, resulting in a much more peaceful space for students to learn. But it isn’t just students that benefit, Composition is great for any working space.

And because not all spaces are the same we’ve given you creative freedom. We can cut to any shape, creating something as unique as each one of us.
