BIG BOOK TEACHING CENTRE

SKU: N/A

PRODUCT DESCRIPTION

The Elizabeth Richards Big Book Teaching Centre is a whiteboard easel, an easel for Big Books and a classroom teaching easel in one!

Our Big Book Teaching Centre is a multi-purpose, versatile unit that will easily transition from small group activities, sharing Big Book stories, to whole-class lessons. Easily manoeuvred around the classroom or school library on heavy duty casters (two lockable casters), this teaching easel is practical, safe, and functional. Made from structural MDF with an attractive White Oak wood laminate, this teaching easel will fit in to any flexible learning classroom.

The premium quality porcelain magnetic whiteboard can be used for modelling writing conventions, or classroom activities. Easily wiped clean with our Magnetic Whiteboard Cloth or Whiteboard Erasers, the 80cm x 90cm magnetic whiteboard has a lifetime surface warranty.

On the front of the Elizabeth Richards Big Book Teaching Centre there is a 10cm wide shelf perfect for storing Big Books, picture books and other resources. On the front there are two large drawers (one

lockable) ideal for storing Whiteboard Markers and Whiteboard Easers, magnetic resources and other essential classroom resources close by. The lockable drawer on this teaching easel is perfect for personal belongings or tech gear that needs safe storage.

The back of the Elizabeth Richards Big Book Teaching Centre is just as versatile as the front! It includes a storage space large enough for an Elizabeth Richards Book Tub, keeping levelled readers or picture books at hand. There is also a fixed hanging rail perfect for our Elizabeth Richard Book Bags – keeping multiple copies of books and other resources close by, helping you stay organised and ready to teach!
