PRODUCT DESCRIPTION

Available in a Sublime Teak or Oyster grey finish, the Book Display unit makes a great addition to classrooms, libraries and breakout spaces.

Store books neatly for a tidy learning environment

Students are able to find their favourite books easily with the Book Display Unit, where all books are visible. The storage unit is a practical and flexible way to store books in the classroom or library. The

unit is on castors for easy maneuverability allowing it to also be used as as a room divider in the classroom.
