

BREATHE SIDE CHAIR

BREATHE Cantilever is a blend of comfort and class. This stackable chair is designed for visitor and meeting room applications. The 'soft feel' mesh back provides full, even support, conforming to the user's body while allowing the free flow of fresh air. A contemporary chair, BREATHE Cantilever is the matching counterpart of the BREATHE Task and can be covered in the fabric, vinyl or leather of your selection.

SKU: NAV-BRVS380WAC
