PRODUCT DESCRIPTION

Group people together around this versatile task-bench. Perfect for collaboration and those who value flexibility, comfortably sit or stand at the Create-A-Bench.

Sit or stand at this versatile Bench.

Featuring a fully welded inset steel frame, the design of the Create-A-Bench offers maximum stability without interfering with stools or people standing around the table. The generous 1200mm length and raised 900mm height enables flexible use - perfect for informal stand up meetings or group learning in the classroom.
