EDGE LX8000 FRAMED PORCELAIN WHITEBOARD

When quality and style count the Visionchart LX8 Slim Edge Porcelain board is the industry leading standard. The frame is aesthetically designed to be minimalist. A 4mm lip in the aluminium profile covers and protects the cut edge of the porcelain board surface.

Designed to be installed with no visible fixings. A Communication wall can be created with unlimited board modules butt joined side by side. Maximum module is 3000 x 1190mm (height could vary between 1190mm to 1195mm)

For a more seamless look we recommend white powder coated frames.

The Porcelain (Vitreous Enamel) surface provides the best performance writing surface being scratch and stain resistant and comes with a 25 year life time guarantee. Recommended for high use situations. Custom sizes made to order.
