EKO 4 SEAT BEAM

The contemporary and flexible EKO Beam, with its robust steel underframe, is ideal for waiting rooms, lecture theatres, convention centres and airports. Chrome arched legs with levelling adjustment are standard. Available in 2, 3, 4 or 5 seater modules, EKO BEAM is very adaptable and will be the solution to almost any layout design. EKO BEAM is available with or without armrests, tables and an optional floor fixing system and can be covered in fabric, vinyl or leather to your selection.

SKU: NAV-EKGR4904
