ERGOTRON CART CAREFIT SLIM LAPTOP

Product Features:

- Offers full sit-to-stand functionality with 24.5" – 49.1" (61.4 – 124.7 cm) of height adjustability
- Allows short, tall or average-height clinicians to work comfortably and effectively—no matter what their stature
- Provides easy height adjustment by simply pulling the handle for a comprehensive ergonomic range
- Fits tightly against a wall to free up valuable space when not in use
- Works as a point-of-care solution at a patient’s bedside, in a hallway or any other area with its slim depth and small footprint
- Supports small laptops and two-in-ones like convertible tablets
- Features a cast aluminum base with durable finish and four-inch casters for extra maneuverability
- Keeps cords out of sight with a pull-out cable storage tray and quick connect hardware
- Keep devices or supplies in the storage bin for a clutter-free workspace
- T-slot mounting system supports accessories

- Slide-out power brick holder offers easy access to power options

PRODUCT DESCRIPTION

CareFit™ Slim Laptop Cart - 5 Year Warranty

The ultra-lean CareFit laptop cart works to remove barriers to the best patient care with a lightweight design that fits your people, workflows and environments. The broadest range of caregivers can work comfortably with the expansive height range that adjusts to the ergonomic needs of each user. The compact frame makes it easy to move small laptops and two-in-ones wherever work takes caregivers around the healthcare facility.
