ERGOTRON CART STYLEVIEW EMR WITH LCD ARM

Product Features:

- Effortlessly maneuver the cart to the point of need—StyleView quickly responds to caregivers’ touch and enables nurses to focus on their patients
- Truly ergonomic design accommodates the largest range of nurses and other caregivers; designed for sitting or standing with single-motion fluid adjustment—helps promote caregiver wellness and productivity
- Surfaces are treated with antimicrobial for product protection
- StyleView’s small footprint, with ultra-smooth gliding casters, travels easily across crowded carpet or hard surface floors and is perfect for space constrained areas
- LCD and keyboard pan side-to-side for closer access while interacting with clients; arm also reaches low for people wearing bifocals or using a tablet PC
- Open-architecture design accommodates most laptops—even widescreen—easing future hardware deployments and upgrades
- Passes Ergotron’s 10,000-cycle motion test, which ensures a minimum of five years trouble-free sit-to-stand height adjustment
