ERGOTRON CART STYLEVIEW S-TABLET SV10 MIC/SURFACE

Product Features:

- Height adjustable yet small, simple and lightweight
- Fifteen inches (38 cm) of vertical travel for seated and standing use
- Sturdy and safe metal construction
- Smooth, easily cleanable surfaces
- Integrated hand-brake secures platform height to provide an ultra-stable worksurface
- A bracket holds the laptop in place. Its inconspicuous design allows easy tilting of the screen without any occlusion of keys or views
- A spacious worksurface accommodates most laptop sizes
- Includes a convenient storage compartment for a power brick or AC adapter that is hidden yet easily accessed
- The t-slot channel interface on the cart’s column allows integration of accessories to customize a solution that’s right for your application

PRODUCT DESCRIPTION

StyleView® S-Tablet Cart, SV10 - 7 Year Warranty
For Microsoft Surface

The nimble SV10 effortlessly moves to the point of need, accommodating a Surface tablet with an innovative interface that holds and positions the screen where you want it. Its patented lift engine easily adjusts the platform and screen to exactly the right height for whatever task is at hand.
