ERGOTRON CART STYLEVIEW W/LCD ARM LIFE PWR ANZ

Product Features:

- LiFe makes the cart extremely lightweight and easy to move
- Ultrafast recharge ensures caregiver and cart uptime: A full recharge from full discharge can be completed in about two hours
- Long battery ‘LiFe’ minimizes time and cost for maintenance and replacement
- For patient and caregiver safety the entire power system and the FULL cart are certified to UL/EN/IEC 60601-1. Complies with EMI limits of FCC Part 15 Class A
- Truly ergonomic design accommodates the largest range of caregivers; designed for sitting or standing with single-motion fluid adjustment—helps promote caregiver wellness and productivity
- StyleView’s small footprint, with ultra-smooth gliding casters, travels easily across crowded carpet or hard surface floors and is perfect for space constrained areas
- Surfaces are treated with antimicrobial for product protection
- Open-architecture design accommodates multiple configurations: closed notebooks with monitor, CPU and monitor, thin clients, tablets, all-in-

one computers and future hardware upgrades
- LCD and keyboard pan side-to-side for closer access while interacting with clients; arm also reaches low for people wearing bifocals or using a tablet PC
- Passes Ergotron’s 10,000-cycle motion test, which ensures a minimum of five years trouble-free sit-to-stand height adjustment
