FORUM BLACK 4 POD

The Forum modular frame system is an modern office solution that is both elegantly simple and stylish, at the same time, with many options and possibilities.

It comprises a sturdy and light-weight triangulated leg profile with both intelligent & simple construction. It also provides a multi functional solution that is easy to configure and re-configure, to suit todays modern, dynamic and collaborative work spaces.

The Forum leg frame comes with adjustable feet for leveling and a 6mm sleek shadow line between the worktop and frame.
It is Compatible with the Plaza workstation system, and our various screen systems & accessories.
Designed for the Australian Workplace.

SKU: DDKFORUMBLACK4POD
