PRODUCT DESCRIPTION

Now even larger with 30 sections!

A colourful placement rug is a wonderful accessory to any classroom and can be used in a wide variety of ways.

We recommend the use of a non slip underlay to extend the life of your rug and protect from any slippage or buckling.

Rug measures 3m x 4m - giving you **12m² sitting area!**

- Note: the grid consists of 30 rectangles of approximately 60cm x 40cm

Note regarding colour: Our products have been photographed in a studio under professional lighting. If you combine this with the differences in how various screens display colour, please be aware that the actual colour of our products may vary slightly from what you see on our website.

Opening Instructions

Elizabeth Richards suggests you vacuum the rug shortly after opening to remove and dust from transit.
