

GENOA STOOL 650H AW - TIMBER SEAT AW

SKU: LINFUR257

PRODUCT DESCRIPTION

Description

The Duraform Genoa Barstool Timber Seat is manufactured with solid European beech wood and a steel frame. This quality wood is sourced from Germany. It is a well built chair designed to withstand commercial use.

The Genoa Barstool has a stained finish in Antique Walnut. This Bar Stool is a great choice for Cafes and Restaurants with the Rustic or Industrial look.

Please Note: Product Sizes, Weights & Colours may vary and are subject to change.
