Foundation: Mix of quality hardwoods and softwoods, kiln-dried and blended with synthetic resins as well as anti rot and anti moisture agents

Made in Turkey

Moulded table top with a jointless, high impact and wear resistant surface also resistant to heat & burns from cigarettes. Hygienic & easy to clean

Suitable for indoor & outdoor* commercial use

*Colours vary under different lights. We advise to purchase a sample if colour is of high importance.

**It is advisable to select light finishes (White, Stratos, Marble and Travertine) for use in direct sunlight conditions. Dark colours used in direct sunlight heat up and become hot. The core material will expand which will then cause the top to bow upwards/downwards at the edges. The manufacturer does not accept this as a warranty claim.

Please Note: Product Sizes, Weights & Colours may vary and are subject to change.
