

ID SIT STAND EXECUTIVE DESK

As part of our continuous improvement strategy, we are adding more combinations to our already Intelligent Desk “ID”

The beauty of being a local Manufacturer and having an in-house design team is that we are adaptable to changing and adding to our DDK design., we are the ones at the steering wheel. We love what we do and have created this one for you our valued customers. Now with our new normal ,working from home, we can offer many more stunning customized ergonomic desks.

Looking forward to releasing & uploading our our NEW “ID DESK combinations.

If you would like to order this product you still may do so, please contact DDK and we can discuss the options with you.
