

INQUIRE TABLE

The Perfect Collaborative Table.

The Inquire table may look like a standard table, but its distinctive design is anything but ordinary. Inquire table's unique appeal begins with sleek, fluted legs that flow seamlessly up to the table's work surface. Straight or canted legs offer unique but complementary profiles, and locking casters or height-adjustable glides complete the distinctive Inquire look. Extra knee space makes canted leg tables ideal for conference rooms and areas where it's imperative to leverage available space.

Features:

- Scratch resistant low maintenance laminated 25 mm table top.
- Fluted 5 leg system with single castor for ease of movement.
- When configured in 3 tables can seat up to 9 adults.
- Durable and versatile steel powder coated legs (Warm Grey and black tips).

SKU: Inquire Table

Charcoal Std

Tabletop Options:

Listed are the most popular colours, however, if you require a specific laminate please contact Sebel for more information.

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend checking your chosen colour against a sample colour swatch, as different screen and printing settings may affect the representation of the colour. Due to the manufacturing process, keep in mind that all colour samples may still have minimal colour variations to the finished product.
