KOOL 3 SEAT BEAM

KOOL Beam is an eye catching series of beam seating that is easy to clean and maintain. Available in 3, 4 or 5 seat units and with the option of integrated tables and floor fixing.
Part of a larger family of seating with the same distinctive polypropylene shell, KOOL is available in four different configurations, a sled base multifunction chair, reverse cantilever student chair, swivel student chair and modular beam seating. KOOL can be used in many different situations.
