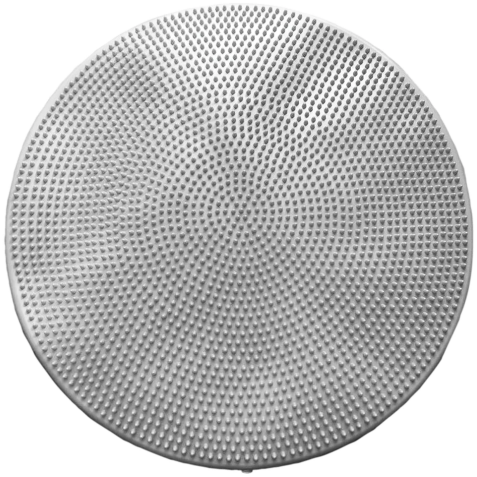
LARGE TACTILE CUSHION

SKU: N/A

GALLERY IMAGES



PRODUCT DESCRIPTION

Like a balance ball for children, our spiky tactile cushion improves posture and focus simultaneously!

This cushion provides active seating or balance training combined with the tactile input that many children crave.

- Our Large Tactile Cushion is a multi-use product offering the benefits of a gym (swiss) ball, wobble board and sitting cushion in one.
- Either use as a seating cushion to help improve posture and core stability or can also be placed on the floor where it may be used as a balance training aid whilst standing.
- Extra large size (60cm) accommodates children that are best served by laying down on the cushion.
- Large enough to fit two children (sitting/standing) at the same time.
- Proven effective in improving posture, muscle strength, joint stabilisation and balance.
- Portable, easy to inflate and comes with inflation pump included. Wipe clean.

Size: 60cm diameter when inflated. (58cm diameter deflated.)

Comes with a hand pump and is available in grey only.

WARNING: Contains small parts not suitable for children under 3 years. Always use under adult supervision.
