

LUCCA CHAIR - ANTHRACITE

SKU: LINFUR322

PRODUCT DESCRIPTION

Description

The Lucca Chair is no ordinary plastic chair. It's extraordinary strength is due to the entire chair being one-piece injection moulded thermoplastic, the legs reinforced with glass fibre for even more stability. The plastic is packed with UV stabiliser, so this chair will not fade or go brittle even in the sunniest weather conditions. The Lucca Chair is built to last in busy commercial venues, indoor or outdoor.
