PRODUCT DESCRIPTION

Our Numeracy Centre is the perfect way to store and organise your lesson resources. Included are clear tote trays to keep subject materials differentiated and visible. Ideal for implementing numeracy programmes such as TEN (Targeted Early Numeracy).

Please note: You can now select from three set Tote Tray sizes for your Numeracy Centre. This can be done by selecting from the Drop down menu. Tote Trays are only available in clear. Price varies depending on which tote tray option is selected.

*** Now with a reversible top - one side is woodgrain and the other side is white. Simply flip the top over whenever you feel like a new look ***
