PRODUCT DESCRIPTION

Rapid Paramount offers electric height adjustable workstations in either single or back to back configurations with or without screens.

The Paramount system allows for independent height adjustment for each user. Available in 1800mm or 1500mm Wide Tops.

With built in cable tray holding up to 12 GPO or data points per user. Backed by a 5 year warranty.

The back to back workstation allows 2 users to work at different desk height levels simultaneously.

Finishes:
