## PLAZA WHITE 4 POD

The Plaza modular frame system is a cost effective and versatile addition to our contemporary range of office furniture.

Comprising a sturdy steel subframe with a 6mm sleek shadow line, the Plaza is suitable for a broad range of applications.

The system features stylish 50mm square tube legs with adjustable feet for levelling purposes.

Worktops are available in a range of standard or custom colours.

| Code | Dimension | Pod |
|---|---|---|
| PLZ4SYS3015 | 3000L x 1500D x 725H | 4 |
