PRODUCT DESCRIPTION

Designed with ergonomics and durability in mind, the Postura® Focus Sled Base Stool is a simple yet stylish solution for modern learning environments.

Ergonomically designed for school to university students.

Part of our most popular Postura® range, the Focus Stool is backed by the same science and engineering. The strong welded steel frame and highly-durable polypropylene seat of the Focus Stool provide maximum support - while the sled base adds an extra element of stability.

Finishing touches like the chip-resistant coating, built in bag hook and sturdy footrest, are just a few

of the details that set this stool apart from the rest.
