

POSTURA® + GAS LIFT CHAIR

High performance and superior ergonomics.

The Postura® Plus gas lift provides spaces with flexibility and functionality. The Postura® Plus is designed to accommodate a variety of body types, through its widened seat width.

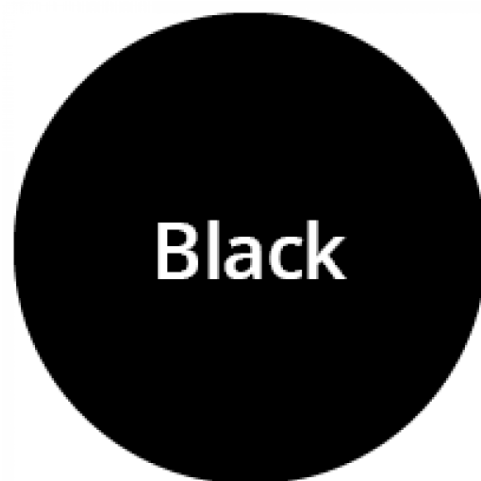

Features

- Ergonomically designed chair for optimal comfort.
- Height adjustable gas-lift base with castors.
- Perfect lumbar position for sitting for long periods of time.
- The ultimate chair for durability and versatility.
- Lightweight and easy for students to move around.
- Sturdy 1-piece gas injection moulding.
- Back ventilation suitable for the Australian Climate.
- Easy to clean, anti-static polypropylene stays cleaner and looks better for longer.
- Hot stamp with your logo or tagline option available on the front of the chair.

Frame

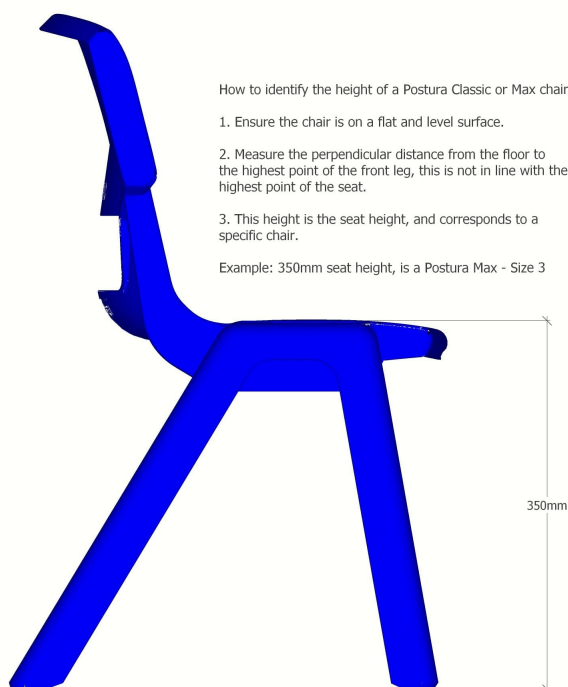

Colours*

*Custom colours available minimum quantity applies

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend checking your chosen colour against a sample colour swatch, as different screen and printing settings may affect the representation of the colour. Due to the manufacturing process, keep in mind that all colour samples may still have minimal colour variations to the finished product.
