PRODUCT DESCRIPTION

Based on the genuine science behind the original Postura®, this height-adjustable Drafting Stool is ergonomically designed to be ultra-durable and seriously comfortable for sitting for long periods of time.

Designed for premium comfort and style.

The durable shell combined with the hardwearing chrome foot ring and five-point base with castors will ensure that these stools stand up to the rigours of constant use. And being a Postura® Plus means that the shell is big enough for senior students and adults alike.
