

SEBEL CLIQUE OTTOMAN

Cliques can be used to create tiered settings or reclaim dead space in hallways, classrooms and breakout areas.

A pair of Cliques can be configured using a Curve (with an external backrest) to create a double sided seating solution. Singular cliques can also be configured with a Worm Big Softie.

The built-in power and USB port option allows students to charge their laptops and tablets.

Features:

- A singular Clique is designed to sit against a Worm Big Softie for a double sided
- seating solution.
- Two Cliques are designed to sit behind a Curve Big Softie for a double sided seating solution.
- Versatile shape to create a variety of configurations suitable for your specific
- learning modality.
- High density foam padding for exceptional comfort.
- Durable frame.
