

## SEBEL CURVE OTTOMAN

**Curves are designed to create a variety of settings to suit your specific learning modality**

A pair of Cliques can be configured using a Curve Big Softie to create a double sided seating solution. Curves can be used to create tiered settings, intimate or large group collaborations or reclaim dead space in hallways, classrooms and breakout areas. The built-in power and USB port option allows students to charge their laptops and tablets.

### Features:

- Curves with external or internal backrests work well as an individual alternative seating solution or in clusters.
- Curves with external backrests can be paired with Clique Big Softies® for a double sided seating solution.
- Versatile shape to create a variety of configurations suitable for your specific learning modality.
- High density foam padding for exceptional comfort.
- Low back for comfort and back support.
- Durable frame.
- Add more colour by combining different fabric colours, patterns and textures
