SEBEL DOMINO CHAIR

Modern, low lounge chair.

A modern low lounge with its compact, no-fuss style, the Domino breathes life into any library, office or common room. The Domino is designed with superior comfort, styling and manoeuvrability in mind. Domino offers all the elements of a comfortable and lasting chair. The strong tubular frame is designed to give long-term strength and support under constant use. The frame is a welded steel design providing a strong stable structure, which will give long service. Durable Polyester powdercoat or metallic finished frames cured to resist chipping and scratching.

Features:

- Supports a static seated load of 110kgs.
- Dimensions:
- Seat Height: 390mm
- Seat width: 520mm
- Seat Depth: 748mm
- Fully upholstered in commercial grade vinyl, which can be easily replaced making for easy maintenance.

Colours

Standard vinyl colours

Standard fabric colour range

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend checking your chosen colour against a sample colour swatch, as different screen and printing settings may affect the representation of the colour. Due to the manufacturing process, keep in mind that all colour samples may still have minimal colour variations to the finished product.
