SEBEL FOCUS TABLE

Focus Table

Versatile, round, collaborative student table.

The Focus range of tables are ideal for use in almost any situation, being round in design, these tables allow you to adapt your classroom for Project based Learning (PBL) and enhances group learning and interaction. The design is also practical and space saving, there is no interference with occupants knees and minimum obstruction at floor level. The contemporary single column and all welded powder coated steel base is easy to clean and suitable for indoor use. Featuring adjustable floor tips, so that if a floor surface is uneven, the floor tips can be adjusted to suit the uneven surface.

Features:

- Low maintenance and easy to clean Rigid Edge laminated table tops.
- Adjustable floor tips assist in levelling the table on uneven floor surfaces.
- Durable and versatile steel powder coated column and legs.

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend checking your chosen colour against a sample colour swatch, as different screen and printing settings may affect the representation of the colour. Due to the manufacturing process, keep in mind that all colour samples may still have

minimal colour variations to the finished product.
