

SEBEL GENERATION LOUNGE

Wool upholstered with high quality foam cushioning.

A classic, functional design that along with varied colour and style choices, will add to any environment. It's open design means it fits right into most office, reception, hotel or corporate surroundings.

Features:

- No-sag interlocked spring seat suspension, heavy duty elastobelt webbing & back suspension ensures maximum comfort and support.
- All seams are internally stitched and reinforced for increased strength and durability.
