

SEBEL ORBIT OTTOMAN

Orbits can be used to create intimate or large group collaborations, tiered settings, or reclaim dead space in hallways, classrooms, libraries and breakout areas.

Designed to add comfort, colour and fun to just about any area, such as libraries, common areas, study areas, student or staff areas and Cafes. The built-in power and USB port option allows students to charge their laptops or tablets.

Features:

- Orbits work well as an individual alternative seating solution.
- Orbit Big Softies® can be paired with the Orio to create a flower like configuration.
- Versatile shape to create a variety of configurations suitable for your specific learning modality.
- High density foam padding for exceptional comfort.
- Durable frame.

Option:

- Available with two power sockets (240 V, 10 Amp) and two USB port sockets
- Power cable length extends to 1.7m
- Castors are a viable option if you do not wish to have power sockets.

- Glides are available with or without power sockets.
