

SEBEL PASTOE CHAIR

Versatile, Comfortable and Functional

The Pastoe Armchair offers high performance and low maintenance. It is specifically designed for areas with high traffic such as waiting rooms and sporting venues. The Pastoe is also suitable for either indoor or outdoor use due to its tough high-tech polypropylene.

Features:

- High-tech polypropylene is UV and weather resistant
- Supports a static seated load of 110 kg
- Contains anti static inhibitors, for outdoor use in harsh climates
- Designed to ensure maximum comfort and stability
- Stain resistant
- Easy maintenance

Fabric Colours

Standard fabric range

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend checking your chosen colour against a sample colour swatch, as different screen and printing settings may affect the representation of the colour. Due to the manufacturing process, keep in mind that all colour samples may still have minimal colour variations to the finished product.
