

SEBEL PODIUM

Award winning seating

Featured in some of the most famous stadiums across Australia. Podium seating is the perfect stadium and auditorium seating solution. From ANZ and Suncorp stadium to University Lecture theatres in both Sydney University and the University of Western Australia. Podium provides award winning seating, offering the highest quality spectator comfort, strength and durability like no other!

Features:

- Premium quality Polypropylene, available in UV and/or FR formulations.
- Full length wrap around back provides good lumbar support while eliminating intrusion from spectators in the row behind.
- Rail mounting system allows for 100% horizontal movement of the seat for unlimited adjustment.
- Seat contains a three-quarter gravity tilt so as to not accumulate water when unoccupied.
- Rail mounts are not permanently mounted to the floor which means the ultimate in flexibility and reconfigureability.
- Simple and non destructive dismantling means components can be reused in

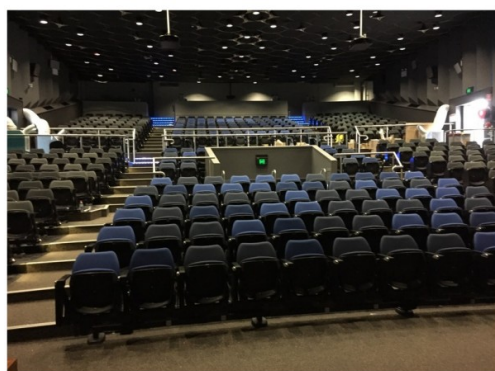

future seating layouts.

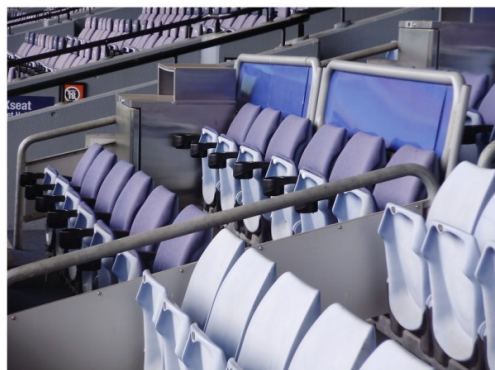

- Waterfall from edge gives extra knee support where needed, maximising comfort for long sitting periods.
- Smooth high gloss finish to facilitate cleaning.
- A gravity tilt tip-up system is used to eliminate maintenance.
- Seat comes individually numbered on the front lip of seat, making it easily visible when the seat is unoccupied.
- Offers infinite ability to evenly space seats thus avoiding gaps in rows.
