

## SEBEL STRIVE HIGH DENSITY STACK CHAIR

### Simplicity, Elegance and Comfort

Designed by Giancarlo Piretti, the Strive presents a clean, elegant aesthetic. The simple design blends with a wide variety of architectural styles and coordinates with other Strive seating.

### Features:

- Flex back encourages movement and relaxation
- The back curve provides lateral support
- The contoured seat dissipates pressure points
- Easy to clean polypropylene shells
- Ultra-strong and durable, tested and warranted for use by persons up to 136 kgs
- Stacks up to 25 high on optional dolly
- An integral handle allows for easy lifting, moving and stacking

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend checking your chosen colour against a sample colour swatch, as different screen and printing settings may affect the representation of the colour. Due to the manufacturing process, keep in mind that all colour samples may still have minimal colour variations to the finished product.
