

STRAIGHT BOOKCASE

- Durable castors allow for easy manoeuvrability.
- Made from safe E0 board that inhibits bacteria and mould growth.
- 720mm height allows them to be configured and incorporated with desks and other standard height furniture.
- Available in two height options: 720mm and 900mm.

PRODUCT DESCRIPTION

Pair the Straight Bookcase with standard height tables to increase your working surface area with the bonus of close-to-hand storage of belongings and resources. Combine the Straight Bookcase with standard height lounges to create unique seating and meeting zones for students and teachers to enjoy, offering privacy and division of spaces.

Versatile storage solutions for any learning space

The timeless finishes of White and Sublime Teak make these units easy to integrate into your spaces. With a generous 450mm depth, there is ample storage capacity for books, files or tubs - functional storage that also looks great!
