Elizabeth Richards®

Tactile Cushion

SENSORY RESOURCES

DESCRIPTION

Like a balance ball for children, our spiky tactile cushion improves posture and focus simultaneously!

It's spiky on one side and bumpy on the other, kids can choose the type of tactile input that's right for them. This cushion provides active seating or balance training combined with the tactile input that many children crave.

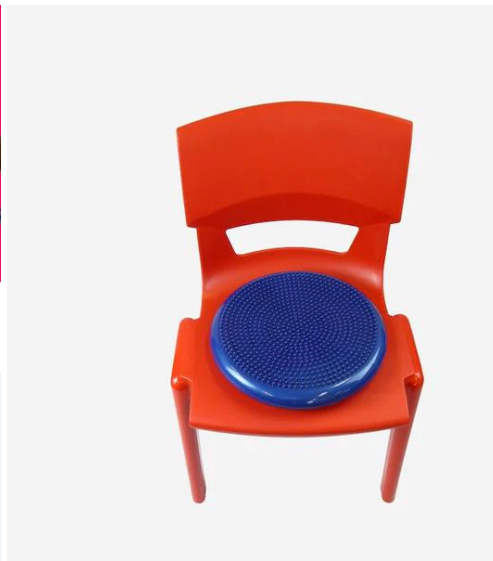

CLASSROOM USE

- Aids with concentration, focus and muscle use, providing proprioceptive feedback and tactile stimulation.
- Not suitable for children under 3 years.

PRODUCT SPECIFICATIONS

Category	Flexible Furniture
SKU	ERTC

PRODUCT DESCRIPTION

Welcome to the wrigglers and the funny little fidgeters!

Like a balance ball for children, our spiky tactile cushion improves posture and focus simultaneously!

It's spiky on one side and bumpy on the other, so your child can choose the type of tactile input that's right for them. This cushion provides active seating or balance training combined with the tactile

input that many children crave.

33cm cushion comes with a hand pump and is available in blue only.

WARNING: Contains small parts not suitable for children under 3 years. Always use under adult supervision.
