

## TEN FRAMES RUG INCLUDING DISCS

**SKU:** N/A

## GALLERY IMAGES

## PRODUCT DESCRIPTION

Use our gorgeous giant Ten Frame Rug to create a foundation for learning basic number facts, place values and to help your students visualise number combinations.

Imagine the kinaesthetic interactive lessons you can have using students as the counters or moving around our Rug Discs to practice adding different quantities together to make 10.

A beautiful and practical addition to any classroom and the perfect placement rug. Sure to become a favourite classroom addition and invaluable numeracy resource! Includes non-slip corners.

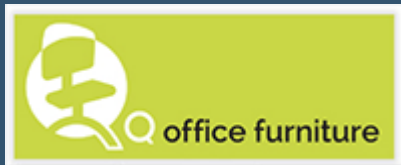

Features:

- Non-slip latex backing
- Cut-pile

Rug measures 3m x 2m - giving you **6m<sup>2</sup> sitting area!**

Blue and green rug discs included (10 of each colour). 33 cm diameter.

**Note regarding colour:** Our products have been photographed in a studio under professional lighting. If you combine this with the differences in how various screens display colour, please be aware that the actual colour of our products may vary slightly from what you see on our website.

## Opening Instructions

Elizabeth Richards suggests you vacuum the rug shortly after opening to remove and dust from transit.
