SKU: N/A

GALLERY IMAGES

PRODUCT DESCRIPTION

The ultimate calming and soothing place to unwind.

Filled with memory foam which conforms and moulds to your body, these divinely comfortable cloud chairs provide proprioceptive sensory input and even pressure, promoting body awareness and helping to improve mood for those with sensory issues. A therapeutic and calming addition to any home or education space.

Features:

- Soft, yet supportive.
- Proven to alleviate anxiety.
- Perfect for sensory rooms, classrooms and libraries.
- Loved by occupational therapists.
- Washable removable cover.

Size:

- 120 cm diameter by 86 cm high
