

TWIST'N'LOCK™ HEIGHT ADJUSTABLE TABLE - CINQUE

A versatile table that can transform any learning space!

The versatile shape is suitable as a standalone or cluster. Cinque can be instantly transformed for Think-pair-share learning and create a variety of settings suitable for specific learning modalities.

Features:

- Versatile shape to create a variety of settings suitable for your specific learning modality
- Sebel Performance Edge Tamper resistant injection moulded polypropylene edge
- Reinforced polypropylene legs (Twist'n'Lock) deliver ultra-strength and durability.
- Pin-less leg system means no more broken pins
- Patented adjustment grooves allows fast and easy adjustment
- Six adjustable heights (from 520mm to 760mm) increase classroom flexibility

Listed are the most popular colours, Other laminate colours available, longer lead times may apply.

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend checking your chosen colour against a sample colour swatch, as different screen and printing settings may affect the representation of the colour. Due to the manufacturing process, keep in mind that all colour samples may still have minimal colour variations to the finished product.
