TWIST’N’LOCK™ HEIGHT ADJUSTABLE TABLE – SEMI (TARGETED TEACHING TABLE)

The Targeted Teaching table are designed for student-teacher collaboration.

For group learning, combine two of the same desks to form a circle or football shape. Utilise your environment and create learning hubs or break up long corridors.

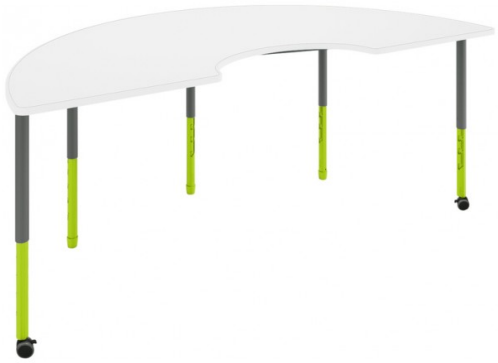

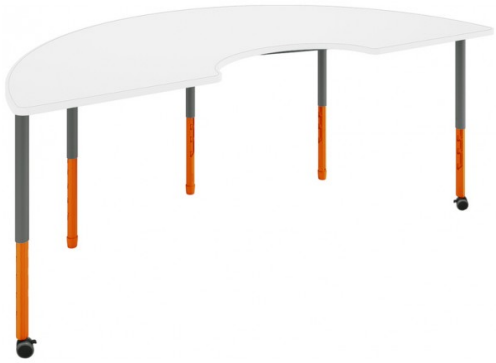

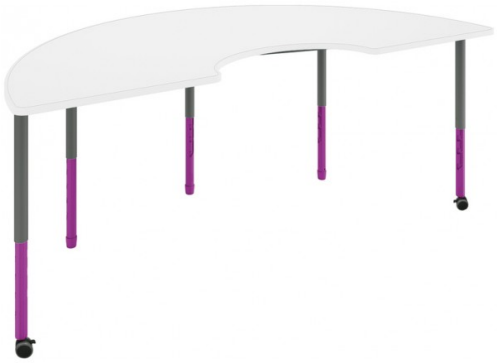

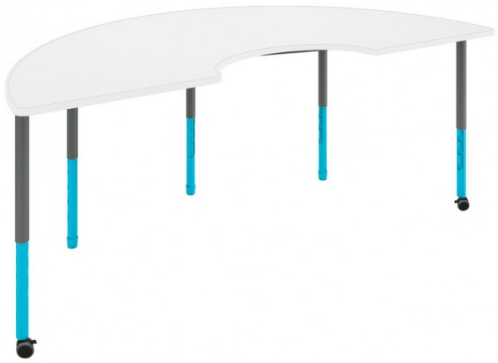

Features:

- Versatile shape to create a variety of settings
- suitable for your specific learning modality
- Reinforced polypropylene legs (Twist'n'Lock) deliver ultra-strength and durability
- Pin-less leg system means no more broken pins
- Patented adjustment grooves allows fast and easy adjustment
- Six adjustable heights (from 520 mm to 760 mm) increase classroom flexibility

Listed are the most popular colours, Other laminate colours available, longer lead times may apply.

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend checking your chosen colour against a sample colour swatch, as different screen and printing settings may affect the representation of the colour. Due to the manufacturing process, keep in mind that all colour samples may still have minimal colour variations to the finished product.
