

WALL MOUNTED PORCELAIN WHITEBOARDS

SKU: N/A

GALLERY IMAGES

Characteristic	E3 CeramicSteel Surface Advantage
Writeability	Can be written on with any dry-erase, semi-permanent, water-soluble OR permanent marker pen without damaging the surface
Visibility	Sharp, clear and distinct marker lines provide maximum colour contrast
Erasability	Dry-erase marker ink can be wiped off easily with a dry cloth or standard eraser. Semi-permanent and permanent marker pen inks can be removed with a solvent-based cleaner
Cleanability	All residues that remain after normal erasing can be removed by following the care and cleaning instructions
Wearability	Vitrified glass-hard ceramic surface offers high resistance to impact damage, abrasion, scratching and color fading

PRODUCT DESCRIPTION

If only the walls could speak... Well, now they can! And not only speak - Elizabeth Richards Porcelain Whiteboards can **ENGAGE** - with a multitude of **great accessories** and a **durable magnetic porcelain surface** that ensures your message is clear as a bell every time!

No longer is learning, teaching and presenting a boring chore of sitting and listening for audiences and students with short attention spans.

Our Wall-mounted Porcelain Whiteboards are a fast-track to engagement, a portal to a world of learning where lesson plans and presentations can be elevated to engage on many levels for maximum impact and retention.

All Boards Include

Movable pen tray
Magnetic Surface
Plugs and screws for mounting to your wall
