

Hobnob Chair

Classic, always in style, stackable and super comfortable.

A classic styled chair, Hobnob offers high performance, low maintenance and comfort. Engineered to withstand the rigours of constant commercial use. Perfect for high traffic areas such as schools, universities, TAFEs, restaurants, health care and public areas.

FEATURES

- Contour moulded seat shells provide a high level of comfort offering correct seating posture.
- All welded steel frames finished in either a Charcoal powdercoat or Chrome finish.
- Seat and back moulded from high impact resistant polypropylene.
- Polypropylene make up includes anti-static and UV protective inclusions.
- Easy maintenance offered by interchangeable seat shells and frame components.
- Sled base frame enables easy manoeuvrability across carpet or vinyl.
- Polypropylene only chairs are stackable up to 10 chairs high.
- High resilient foam padding on fully upholstered styles.
- Wide selection of upholstery options available.
