

Mojo Cush Bags

Perfect for break out areas and quiet zones

The Mojo Range of cushioned bags come with prefilled soft foam which eliminates the noisy shuffling found with bean bag products. The lightweight design is easy for students to move around to new work spaces.

The Cush Cookie and Cush Bag Lounge are ideal for improving informal collaborative work, independent work, student engagement and provide a great tool for behaviour management of students.

The exterior fabric is made from a heavy duty UV resistant nylon weave material, making it also suitable for outdoor use.
