

PODIUM

The ultimate in stadium and
auditorium seating

Award winning products, providing the ultimate in comfort and durability for stadiums and auditoriums worldwide

For over 60 years, Sebel has sweated the small stuff to ensure we have the best products that do the job and go the distance.

Our high performing spectator seating products have been the go-to choice for hundreds of stadiums, grand stands, lecture theatres and halls around the globe.

Podium, it's spectator seating at its best

Podium seating

Originally purpose built and designed for the 2000 Sydney Olympics, our Podium took out the Australian Design Award. Since then, it has featured in hundreds of stadiums and auditoriums around Australia, and across the globe. From ANZ and Suncorp stadium to leading Universities, Podium offers the highest quality spectator comfort, strength and durability like no other!

It's unparalleled award winning design continues to make it the go-to choice for spectator seating

Podium offers premium high performance features

- Premium quality UV resistant Polypropylene will keep your Podium seating looking as good as new
- Full length wrap around back for better lumbar support
- Easy clean high gloss finish
- Waterfall front edge gives extra knee support where needed, maximising comfort for long sitting periods
- Three quarter gravity tilt reduces seat maintenance
- Non destructive dismantling enables seat re-use
- Non permanent rail mounting system for configuration flexibility

Podium offers a variety of options

Range of backrest styles

Available in a range of different backrests to compliment any venue design requirements.

Folding Tablet Arms

Generous "anti panic" tablet arms make it the ideal choice for lecture and auditorium seating.

Branding/sponsorship options

Stamp/embroider your logo for branding and revenue generation opportunities.

Upholstered seat and back pad

Upholstery options available for premium seating options.

Armrests and cupholders

Optional polypropylene armrest with cupholder is perfect for premium seating areas. Design is reversible for front or rear mounting.

Designed for a range of mounting options

Suits riser and pedestal mount platforms. Perfect for any application from indoor arenas, stadiums and educational facilities.

Row and Seat identification

Seat numbering on front lip, Row lettering available, Row end illumination.

UV and/or Fire rated

Seats can be moulded with Fire resistant additives to comply with specifications.

High back option

Seats can be moulded with Fire resistant additives to comply with specifications.

GPO and/or USB Power

General purpose outlets and/or USB ports can be incorporated into the seats.

Dust shroud cover

Tablets for wheelchair users

Award winning Podium provides the ultimate comfort, strength and durability
